

Mr. Niewenthuis

Thank you for your extremely generous donation for the SD Walleyes Unlimited Scholarship. My name is Jacob Lindgren and I am currently a junior at SDSU. My future goals are to attend graduate school to further my education specifically in fisheries.

I have a high amount of passion for the outdoors, specifically for walleye fishing and the ~~the~~ Missouri River. Again, I really appreciate the donation and for the opportunity to succeed as a student in the fisheries department. Hope all is well.

Sincerely
Jacob Lindgren

thanks
