Dear Rocky Niewenhuis,

I'm writing to personally thank you for choosing me as a receiver for your South Dakota Walleyes Unlimited Scholarship. With tuition rising every year, and the money I owe increasing with it, every bit of help counts so much. The money you have donated will really help me towards my education. I plan on graduating from SDSU in the next two years with a bachelor's degree in Wildlife and Fisheries and a minor in Zoology. I plan on interning at the Bramble Park Zoo in Watertown this summer, and from there I plan on someday working in a wildlife refuge. Thank you again for choosing me for you scholarship!

Sincerely,
